

So much more than a Bloke with a Theodolite.

Licensed Cadastral Surveyor – Mount Maunganui

Due to ongoing growth, RPC Land Surveyors is seeking a Licensed Cadastral Surveyor with 2 – 6 year's experience to join our team in Mount Maunganui.

Just a few blocks from the best beach in NZ, RPC is a well-respected, long established surveying consultancy, with newly remodelled modern offices in a thriving city. Based in both Mount Maunganui and Auckland, RPC Ltd prides itself on providing its clients with a comprehensive list of services for all Land Surveying, Resource Management, Planning and Land Development work.

This is an opportunity to become a member of a friendly, experienced, and professional team, involved in several exciting land developments in the greater Bay of Plenty area. The successful applicant will work on all aspects of field surveying and office management of projects, including preparation of resource and land use consents. The role will suit an ambitious surveyor who thrives on challenges and responsibility and may have medium to long term prospects for the right candidate.

Our preferred candidate will have the following attributes:

- Licenced Cadastral Surveyor
- Be familiar with 12D software and Landonline
- Be willing to undertake engineering design and supervision for land development and subdivision
- Demonstrate communication and inter-personal skills
- Willing to manage other staff

In return, RPC offer a competitive salary, payment of NZIS Membership fees, top of the line IT and surveying equipment, the opportunity to advance your career, support for attending the NZIS conference and local seminars/workshops together with ongoing training.

If you are keen to join our team and work for a fun and professional surveying company, then please submit your CV and cover letter in the first instance to:

Paul Ellison – Director
